RE: Site Inspection, Energy Fuels, Hillside Complex Mine, M/037/015, San Juan County, Utah

Date of Inspection: November 17, 1992  
Time of Inspection: 6:30 p.m. - 7:00 p.m.  
Conditions: Dark, cold  
Participants: Holland Shepherd, DOGM

I visited the Hillside Complex today to follow up on the reclamation at this particular site. The Division had earlier asked Energy Fuels to return to the site and plug up a small dog hole that had been made in the earlier reclaimed portal. As far as I could tell, everything has been sealed up as requested. I recommend complete reclamation release for this site.
